Cader Harris shook the dust of Hayden, Louisiana from his feet eighteen years ago, aided by his football prowess, his movie-star good looks--and most of all by a handsome payoff from Foster Doyle Hayden, who thought that Cader wasn't good enough for his daughter, Irene. When Irene married someone else and too few months later gave birth, Cader was shocked. He kept his side of the bargain, but now a secret oil deal gives him an excuse to see his son and the tempestuous woman he should have claimed long ago. But before Irene there was Sunday Waters, who gave Cader her heart and soul. Then Irene snapped her fingers and Cader came running. Now Cader will discover how much can change when girls become women.and that sometimes a dwindling fire can reignite a blaze hotter than before.
