

Taking Rites Seriously: Law, Politics, and the Reasonableness of Faith

By Francis J. Beckwith

Cambridge University Press. Paperback. Book Condition: new. BRAND NEW, Taking Rites Seriously: Law, Politics, and the Reasonableness of Faith, Francis J. Beckwith, Taking Rites Seriously is about how religious beliefs and religious believers are assessed by judges and legal scholars and are sometimes mischaracterized and misunderstood by those who are critical of the influence of religion in politics or in the formation of law. Covering three general topics - reason and motive, dignity and personhood, nature and sex - philosopher and legal theorist Francis J. Beckwith carefully addresses several contentious legal and cultural questions over which religious and non-religious citizens often disagree: the rationality of religious belief, religiously motivated legislation, human dignity in bioethics, abortion and embryonic stem cell research, reproductive rights and religious liberty, evolutionary theory, and the nature of marriage. In the process, he responds to some well-known critics of public faith - including Brian Leiter, Steven Pinker, Suzanna Sherry, Ronald Dworkin, John Rawls, and Richard Dawkins - as well as to some religiously conservative critics of secularism, such as the advocates for intelligent design.

Reviews

This is the finest book i have got study till now. It usually does not price a lot of. I found out this publication from my i and dad encouraged this book to understand.

-- **Jamil Collins**

Absolutely among the best book I have possibly go through. I have go through and that i am certain that i am going to gonna read through once again again in the future. I am just delighted to tell you that this is basically the finest book i have got go through within my personal existence and could be he finest book for ever.
