CREATING MUSIC: HEARING MUSIC (HOME VERSION), CD-ROM

Alfred Publishing Co., Inc., United States, 2009. CD-Audio. Book Condition: New. 140 x 121 mm. Language: English . Brand New. Now children can experience music at the most basic level, before ever picking up an instrument or learning to read! Morton Subotnick s series of interactive music games facilitates experimentation with the fundamentals of pitch, rhythm, and sounds of various instruments and styles of music. Children learn what it means to play a high or low note, soft or loud, and fast or slow, with lovable characters and detailed explanations to guide them along the way! This series of fun-filled games breaks musical concepts down to patterns, visuals and easy exercises. Children learn to identify different sections of music, nuances in a melody and changes in rhythm---all by listening to songs by the world s most famous composers. Explore the elements that build music; hear musical differences in endings, repetitions and variations; compare differences in the music you hear; link musical phrases in the proper order; see what you hear by matching the musical notation to the sound clip; learn the difference between same and similar ; grow from beginner to advanced with three levels for each game. An integrated help menu provides audio instructions for each game. For ages 5 and up, this version is perfect for home use. See a product demo at.
