## PORTRAIT OF AN OBAMA NANNY STATE: IF IT CAN HAPPEN TO THE BRITS, IT CAN HAPPEN TO US

Createspace, United States, 2012. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Want to know where we are headed along the trajectory set by Barack Obama and his liberal-Left allies? A close look at the militantly-secularist, hyper-regulatory British nanny state is the best possible predictor of America s own bleak future if we don t change course. In PORTRAIT OF AN OBAMA NANNY STATE, F. LaGard Smith presents scores of news reports from the British media documenting Britain s breathtaking descent into a tyrannous democracy dictating every aspect of daily life and threatening even the most fundamental freedoms of faith and expression. Smith warns of a political and cultural tsunami headed across the Pond as the same forces of liberal-Left secularism in America are creating a moral vacuum that can only be filled with rule upon rule, happily imposed by enlightened nannies at every level of society. Key chapters focus on the impact of a nanny state on the family, education, healthcare, faith, and public morals. The chapters addressing gay rights and the teaching of macro-Evolution drill down deeply into the soul of a nation, exploring the crucial relationship between morality and public policy.
