Createspace, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Wars are not won through sheer luck. A battle may shift due to a stroke of luck or misfortune depending on whose side you re on. A war however, requires planning, strategy, and cunning. Without that the war is over before it even starts. Sometimes the plan works out. Other times, the failure comes at a high price. Regardless, tactics are the key to winning. In this book you will find stories from some of the lesser known an yet important battles of World War II. From the European front to the Pacific, it was the battles that ultimately won the war. Read about the battle for Tarawa and the costly lessons learned there. This small yet formidable island nearly brought the American soldiers to their knees. How did they turn the tide of battle and at what cost? Find out what President Roosevelt did with the Marine newsreel. Should the public know about this or will he cover it up? Ever hear of Hurtgen Forest? Read about this little known but important battle. Find out what the Rangers endured to secure Hill 400 and what advantage that gave us. There were lessons learned in this battle as well. Learn about heroic Ranger Lieutenant Len Lomell s stand. War is hell. Tactics help our soldier to navigate hell and hopefully come out intact at the end. When it s all said and done, these stories can be a lesson to us about the sacrifice that led to winning a war.
