KATYA S WORLD

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. The distant world of Russalka has no land, only the raging sea; no clear skies, only storm clouds. Beneath the waves, the people live in pressurised environments and take what they need from the ocean. It is a hard life, but it is theirs and they fought a war against Earth to protect it. But wars leave wounds that never quite heal. Katya Kuriakova doesn t care much about ancient history like that, though. She is making her first submarine voyage as crew; the first journey of what she expects to be a nice, simple career. There is nothing nice and simple about the deep black waters of Russalka, however; soon she will encounter pirates and war criminals, see death and tragedy at first hand, and realise that her world s future lies on the narrowest of knife edges. For in the crushing depths lies a sleeping monster, an abomination of unknown origin. And when it wakes, it will seek out and kill every single person on the planet.
