Reviews

Excellent electronic book and helpful one. It usually does not cost a lot of. I am quickly will get a pleasure of reading through a written publication.

(Bernardo Feeney Jr.)

WHEN THE SWANS NECK BREAKS

Xulon Press. Paperback. Book Condition: New. Paperback. 448 pages. WHEN THE SWANS NECK BREAKS: Global Espionage, Financial Fraud and clones of American power figures trying to remove Americas national sovereignty. Dr. Aleksandr Plotnikovs thoughts are not always pleasant. His actions make him ill. His moral compass forces him to question his atheist upbringing, Marxist ideology, and communist training. He is at war with the worst possible enemy: Himself. He is guilty of the worst possible sin. . . cloning human life. It began in the 1970s. The story is spellbinding as it weaves its way through webs of newly-learned faith in God and the grace of forgiveness it offers. It carries readers through a plot of international intrigue, truth, and love. Four key political figures are held captive in Russia while their Soviet-trained clones replace them. Plotnikov escapes the U. S. S. R. and, once in America, is driven to free the men he cloned and restore them to their positions of influence. Former CIA agent Jake McGregor and bank consultant Meredith Morgan join Plotnikov in his heroic effort to save Americas system of free markets and capitalism. Barnewall has created a hard-hitting, realistic view of Americas financial problems in this work of fiction, pointing to freedoms need for faith and truth to survive. Authors Bio: Marilyn MacGruder Barnewall is a student of the human condition, wielding the written craft to enrapture the mind, much like an artist wields a brush. Until recently, she wrote non-fiction exclusively for the banking industry. Her work is listed in the Oxford and Cambridge University libraries in Great Britain. In June, 1989, Forbes dubbed Barnewall the Dean of American private banking. She has consulted for and given speeches to bankers around the world. Who better to write a book about Americas central banking system, fiat...
