

Financial Performance of Companies listed on the Kuwait Stock Exchange. An Exploration using Altman's Z-Score Model

By Chadha, Payal

Condition: New. Publisher/Verlag: Anchor Academic Publishing | A quantitative method was used to explore the financial performance of the firms listed on the Kuwait Stock Exchange. The number of firms explored was 196 out of a possible 206 (two firms are subsidiaries of one of the firms and others are insurance firms excluded from this study). The listed firms were observed from 2009-2014 to understand their status in the market and the direction they were heading towards. The financial data were gathered from the published annual reports of the respective firms and the financial statements from the Kuwait Stock Exchange website. This exploration is a stepping-stone for potential investors by showing the most profitable sectors for investment and for future researchers to predict accurate bankruptcy rates in the State of Kuwait. | Format: Paperback | Language/Sprache: english | 159 gr | 220x155x5 mm | 92 pp.

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
