TAKE THE TRIP (PAPERBACK)

DOWNLOAD

BookBaby, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Two of the most understated chronic medical conditions are Crohn s disease and ulcerative colitis unless of course you have them. The impact they can have on someone and their family is devastating. They affect peoples personal and professional lives in a way that only a person with the disease can truly comprehend. However, the levels of knowledge and understanding of these conditions by the people who have them, across the medical profession and in society in general are poor due to their complexity and, for some reason, lack of prominence. Living with them and managing them, like any chronic condition, is a real challenge and the purpose of Take the Trip is to help sufferers and their families do that. The book in a very detailed but straightforward manner does examine the difficulties of living with any serious illness or condition but primarily focuses on Crohn s disease and ulcerative colitis. It researches the highly complex issues that surround each disease and discusses and explains both of them in simple language that everyone can understand. The aim then is to help sufferers see that depending on what they have and its gravity that in certain forms while debilitating it can be managed and a normal life (and what that means to them) can be pursued. The colour purple characterises the charity Crohn s and Colitis UK. In their drive to raise awareness of the diseases the charity use the colour and such catch lines as Go Purple For Crohn s and Colitis UK. The title TAKE THE TRIP therefor is based around the notion of the word TRIP being related to the beautiful purple lavender flower. The concept is simple. The TRIP mnemonic forms the strong...
