Filesize: 7.62 MB

Reviews

An extremely wonderful pdf with lucid and perfect explanations. I could possibly comprehend every little thing out of this created e pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Janie Wilkinson)

THE GOOD DOCTOR GUILLOTIN (PAPERBACK)

Unbridled Books, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. The Good Doctor Guillotin follows five characters to a common destination--the scaffold at the first guillotining of the French Revolution: Dr. Guillotin, of course, a physician and member of the National Assembly, involved in many important events, including the Tennis Court Oath. Nicolas Pelletier, the first victim--or patient, as they were sometimes called, since the new beheading machine was seen as a humanitarian medical intervention in the state's technique of dealing death. Father Pierre, the cure who accompanies Pelletier in his last days, a man torn between his religious commitment, and an equally strong commitment to the poor and their revolution. Sanson, the famous executioner of Paris who, 9 months later would execute the king and retire from remorse. Tobias Schmidt, builder of the new machine, a German piano maker working in Paris, a freethinker predicting the Terror that will follow, but allowing himself to initiate it. The revolution, after all, had reduced the sale of pianos. Various other interesting figures briefly appear: Damiens, Mozart, Mesmer, Louis XVI, the Marquis de Sade, Marat, Robespierre, Demoulins among them. The eighteenth century narrative is divided into several sections, each introduced by an essay in the author's voice, the first on five-ness and Pentagons; a second on hope and Utopia; a third on revolutionary violence; and a fourth on capital punishment. This is no historical novel. It is, rather, a fictive meditation on a contemporary conundrum using an eighteenth century drum.
