

Springtime: A Ghost Story

Filesize: 5.94 MB

Reviews

Absolutely essential study pdf. It is written in basic words and phrases rather than hard to understand. I am just happy to tell you that this is basically the finest pdf I actually have studied during my personal lifestyle and can be the very best publication for actually.

(Shyanne Senger)

SPRINGTIME: A GHOST STORY

Catapult, United States, 2016. Paperback. Book Condition: New. 175 x 117 mm. Language: English . Brand New Book. When Frances met Charlie at a party in Melbourne, he was married with a young son. Now that the couple has moved to subtropical Sydney, a lush and more chaotic city, Frances has an unshakable sense that the world has tipped on its axis. Everything seems alien, and exotic and Frances is haunted by the unknowability of Charlie's previous life. A young art historian studying the objects in paintings--the material world--Frances takes mind-clearing walks around her neighborhood with her dog. Behind the fence of one garden, she thinks she sees a woman in an old-fashioned gown, but something is not right. It's as if the garden exists in a vacuum suspended in time, at an angle to life. Springtime is a ghost story that doesn't conform to the genre's traditions of dark and stormy nights, graveyards and ruins. It breaks new ground by unfolding in sunny, suburban Australia, and the realism of the characters and events make the story's ambiguities and eeriness all the more disquieting. The richness of observation here is immediately recognizable as Michelle de Kretser's, a writer who has been praised by Hilary Mantel as a master of the sharp, almost hallucinatory detail.
