HOW TO CONTROL ASTHMA & ALLERGY

Sterling Publishers Pvt.Ltd. Paperback. Condition: new. BRAND NEW, How to Control Asthma & Allergy, Rajeev Sharma, The most common problems afflicting people in the modern world are asthma and allergies. Even children are not spared from these. 'How to Control Asthma and Allergy' offers an insight into the basic causes and types of asthma and allergies and how they can be best dealt with. The book provides multiple treatment options to choose from -- allopathy, acupressure, acupuncture, magnetotherapy, ayurveda, homoeopathy and nature cure. Written in a simple and lucid style, the book includes objective questions which can help people ascertain whether they are potentially asthmatic and whether they are allergic to certain conditions of nature, drugs and food. However, the remedies are intended as a home advisor and not as a substitute for qualified medical diagnosis and treatment.
