

## A Catechism of Liberal Faith (Classic Reprint) (Paperback)

By Charles Fletcher Dole

Forgotten Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from A Catechism of Liberal Faith The wish here is to show that man belongs to an unseen uni verse; that this universe is divine and beneficent; that a certain distinct and noble type of thought, feeling, and conduct, is in accord with such a universe, and that the highest and largest life grows out of the realization of these facts. In all this, while there is much that may seem new, there is nothing sectarian. On the contrary, the views here presented are coming to con trol all liberal minds of whatever name. They are intended to furnish a key to the understanding of what all genuine men of different forms of faith have believed in common. There has therefore been very little need of dealing in negations or destruc tive criticism. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
