

## Gravionics and a Spiritual Life: How a New Philosophy of Space and Time Unites Science and Spirituality

By A Mike

AUTHORHOUSE, United States, 2005. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Gravionics is the study of the individual connections of gravity that bind all mass together and through which all energy transfers are made in the real world. For years, scientists have thought that gravity was just a big sheet of something that acted on mass. Now we know that gravity is made of individual connections, called gravions, and that these connections arise from the mass. As different physical systems move through an infinite cosmos, they come into contact with each other, making and breaking gravionic connections. Human beings have very complex gravitational interactions and the study of these interactions can help mankind in its quest to better understand science and to obtain a spiritual life. Spirituality is defined as the actions between sentient beings where all energy transfers are positive and loving. Love is defined as the actions of sentient beings whereby they give more energy than they take and where they make more connections of gravity than they break, recognizing that all real events are first and foremost gravitational events. By learning a simple set of rules,...
