Kensington Publishing, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. Johnstone s towering Mountain Man and The Last Gunfighter series are epics of the frontier. Now, with J. A. Johnstone, he has created Sidewinders, a wild, rollicking ride alongside two hardheaded cowboys with a knack for staying on the wrong side of the law--but for all the right reasons. Sometimes it s bad to be good. That s what happens when Scratch Morton and Bo Creel are rewarded with a gold mine for saving a rich man s bacon. The catch: this mine is a magnet for marauding Mexican banditos. Budding capitalists, Scratch and Bo fight back. That s when they discover that the thieves aren t who they thought they were, some really bad guys are on the way, and a beautiful woman might just be the most dangerous bandit of all--the kind that can steal your heart. For Scratch and Bo, this gold mine might make them rich. But it s more likely to get them killed--just as soon as they can figure out who wants them dead . . .
