Ausable Press, United States, 2008. Paperback. Book Condition: New. 216 x 137 mm. Language: English . Brand New Book. Nabokovian in his caustic charm and sexy intelligence, Simic perceives the mythic in the mundane and pinpoints the perpetual suffering that infuses human life with both agony and bliss. . . . And he is the master of juxtaposition, lining up the unlikeliest of pairings and contrasts as he explores the nexuses of madness and prophecy, hell and paradise, lust and death. Donna Seaman, Booklist As one reads the pithy, wise, occasionally cranky epigrams and vignettes that fill this volume, there is the definite sense that we are getting a rare glimpse into several decades worth of private journals--and, by extension are privy to the tickings of an accomplished and introspective literary mind. Rain Taxi Written over many years, this book is a collection of notebook entries by our current Poet Laureate.Excerpts: Stupidity is the secret spice historians have difficulty identifying in this soup we keep slurping. Ars poetica: trying to make your jailers laugh. American identity is really about having many identities simultaneously. We came to America to escape our old identities, which the multiculturalists now wish to restore to us. Ambiguity is the world s condition. Poetry flirts with ambiguity. As a picture of reality it is truer than any other. This doesn t mean that you re supposed to write poems no one understands. The twelve girls in the gospel choir sang as if dogs were biting their asses. What an outrage! This very moment gone forever!.
