

It's So Much Work to Be Your Friend: Helping the Child with Learning Disabilities Find Social Success

By Richard Lavoie

Simon & Schuster, 2006. Softcover. Book Condition: New. As any parent, teacher, coach, or caregiver of a learning disabled child knows, every learning disability has a social component. The ADD child constantly interrupts conversations and doesn't follow directions. The child with visual-spatial issues loses his belongings and causes his siblings to be late to school. The child with paralinguistic difficulties appears stiff and wooden because she fails to gesture when she talks. These children are socially out of step with their classmates and peers, and often they are ridiculed or ostracized for their differences. A successful social life is immeasurably important to a child's happiness, health, and development, but until now, no book has provided practical, expert advice on helping learning disabled children achieve social success. Richard Lavoie's PBS videos, including How Difficult Can This Be?: The F.A.T. City Workshop, and his sellout lectures have made him one of the most popular experts in the field. It's So Much Work to Be Your Friend offers practical strategies to help learning disabled children ages 8 through seventeen navigate the treacherous social waters of their school, home, and community. Rick examines the special social issues surrounding a wide variety of learning disabilities,...
