

Ashbel Smith of Texas: Pioneer, Patriot, Statesman, 1805-1886

By Elizabeth Silverthorne

Texas A&M University Press. Paperback. Book Condition: New. Paperback. 280 pages. Dimensions: 9.1in. x 6.0in. x 0.7in. Though three times burned in effigy for his political activities, Ashbel Smith was an admired and influential leader in nineteenth-century Texas. A doctor educated at Yale and abroad, the father of Texas medicine championed higher standards of medical practice and helped found the states medical society. He worked persistently to establish free public education in Texas and in his later years led the way in founding Prairie View State Normal School, the University of Texas (which he also served as regent), and the universitys medical school at Galveston. In the first full-length biography of this important Texas statesman, Elizabeth Silverthorne portrays not only a very human and exciting personality but also the world he lived in, as seen through his eyes, and the part he played in shaping that world. Using public records, Smiths own journals, memoranda, and personal papers and the writings of his prominent contemporaries, she presents the tale of a vital, complex life so inextricably woven into the history of Texas . . . that whenever we examine any of the burning issues of the day finance, politics, religion, transportation, immigration, agriculture,...

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Natalie Abbott**

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
