But even in her darkest moments like her mother's suicide Quinn hasn't been tempted to slip through. . . until she receives devastating news about the baby she's carrying. The grief lures her to peek across the portal, and before she knows it she's in the midst of the other life: the life in which she married another man and is childless. The life in which her mother is still very much alive. Quinn is forced to make a heartbreaking choice.
