

The Stone-Millis Arithmetics Intermediate and Advanced (Classic Reprint) (Paperback)

By John C Stone

FBC LTD, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Stone-Millis Arithmetics Intermediate and Advanced In adapting arithmetic to the needs of children, all topics that do not enter at some time or other into the everyday life of the average citizen, and all obsolete topics that repro sent business practices that have been abandoned, have been wholly eliminated. The authors are thorough believers in adequate drill, and the abundant drill exercises and the plentiful provision for motivated drill throughout these books, should prove a strong feature of the series. Book Two. This book covers the work recommended for the fifth, sixth, seventh, and eighth grades. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
