Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Blue and the Gray I am especially grateful to General Fred erick D. Grant for the privilege of quoting from his father s Personal Memoirs, in the assurance, Whatever is satisfactory to the Century Comp any will be entirely satis factory to my family and myss and add ing, I feel quite sure your book will be very interesting and trust that it will be a great success. In quoting more fully from the Per sonal Memoirs than at first planned or intended, I have had in mind the force ful interest and historic value given by the use of General Grant s own words - and also, believing that it will hold the reader to a clear and true understanding of the life and character of our greatest soldier.
