

Against the Gates of Hell (Paperback)

By Brian France

AUTHORHOUSE, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book represents, from a most unusual perspective, the greatest story ever told. Although it is a work of fiction it vividly portrays the spiritual battle that confronts all of us. Throughout its fabric is woven the story of the redemption of mankind. The self-deception of Satan and his minions is portrayed in a way that can only be described as brilliant in its conception. For a person such as myself who has been engaged for the past 36 years in the deliverance ministry, which involves the direct confrontation of demon power, the description of the spiritual battles can only be described as inspired. The book clearly outlines the work of redemption at the Cross of Jesus Christ and reaches its climax with the resurrection. It makes for fascinating reading. Bill Subritzky Evangelist.
