They set out to investigate some of the most haunted locations in Canada and the United States. Coast to Coast was the only team given permission to investigate the notorious Greenhurst Hospital, closed for over twenty years. No team had been allowed in because of reports of violent entities attacking those brave enough to sneak in after dark. As the team began their biggest investigation yet, they were not prepared for what was waiting for them in the dark halls of Greenhurst. Uncovering the mysteries of Greenhurst could be dangerous, even fatal for the Coast to Coast paranormal investigators.
