HORSES OF THE WORLD COLORING BOOK DOVER NATURE COLORING BOOK

Dover Publications. Paperback. Book Condition: New. Paperback. 48 pages. Dimensions: 10.7in. x 8.0in. x 0.4in. For centuries, the horse has served man and inspired his respect. Whether packing a load of new-found gold in California or gallantly leading the cavalry in battle at Waterloo, the horse has long been an essential partner in human endeavor. In this coloring book, gifted animal illustrator John Green and writer Robert Stephen Kendal team up to create a marvelous pictorial history of the horse-the species *Equus caballus*. Now horse lovers can learn fascinating facts about horses-history, breeds, types and more, while they color exciting scenes of horses in the fields, racing, at shows and in battle. Here are 42 detailed line drawings of stallions and mares from all over the world. Included are an exotic Arabian steed shown mounted by one of Napoleons cuirassiers, and the familiar mustang roaming free on the western range. Informative captions provide accurate background and information on each breed. Youll also find a glossary to help you determine the proper color shades, patterns and combinations to use as you create your own impressions of this time-honored companion to man. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
