Reviews

These types of book is the greatest ebook readily available. I was able to comprehend every little thing using this published e pdf. I realized this pdf from my dad and i encouraged this publication to discover.

(Dr. Porter Mitchell)

VOTING AND COLLECTIVE DECISION-MAKING: BARGAINING AND POWER

Cambridge University Press. Paperback. Condition: New. 204 pages. Dimensions: 8.9in. x 5.9in. x 0.6in. Every day thousands of decisions are made by all kinds of committees, parliaments, councils and boards by a yes-no voting process. Sometimes a committee can only accept or reject the proposals submitted to it for a decision. On other occasions, committee members have the possibility of modifying the proposal and bargaining an agreement prior to the vote. In either case, what rule should be used if each member acts on behalf of a different-sized group? It seems intuitively clear that if the groups are of different sizes then a symmetric rule (e.g. the simple majority or unanimity) is not suitable. The question then arises of what voting rule should be used. *Voting and Collective Decision-Making* addresses this and other issues through a study of the theory of bargaining and voting power, showing how it applies to real decision-making contexts. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
