Brand New Book ***** Print on Demand *****.The third-graders at Coyote Run Elementary thought the teacher s lounge is where teachers eat candy out of vending machines, watch TV and get to play video games. They didn t expect it to be a tropical island where they are kidnapped by pirates, a circus where they learn the flying trapeze, or a crime scene where they solve a jewelry heist. Each chapter of this young middle-grade fantasy tells the story of a different student s adventure in the teacher s lounge accompanied by their mysterious new teacher, Mr. K. Only one student, Sam, decides to boldly go into the teacher s lounge by himself where he discovers something completely different yet.
