Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

THE GREAT WAR: STORIES INSPIRED BY ITEMS FROM THE FIRST WORLD WAR

Candlewick on Brilliance Audio, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. In a powerful collection, eleven internationally acclaimed fiction writers draw on personal objects to bring the First World War to life for listeners of all ages. A toy soldier. A butter dish. A compass. Mundane objects, perhaps, but to the remarkable authors in this collection, artifacts such as these have inspired stories that go to the heart of the human experience of World War I. Each author was invited to choose an object that had a connection to the war--a writing kit for David Almond, a helmet for Michael Morpurgo--and use it as the inspiration for an original short story. What results is an extraordinary collection, illustrated throughout by the award-winning Jim Kay and featuring photographs of the objects with accounts of their history and the authors reasons for selecting them. A blend of fiction and real-life events, this unique anthology provides young readers with a personal window into the Great War and the people affected by it, and serves as an invaluable resource for families and teachers alike.
