Summary: This ingenious, educational, and inventive "book-and-thing" package comes with a unique catch'the "thing" is the book. Each page is an activity to be removed and enjoyed:? turn a page into a board game ? send another page to the White House ? float one across the ocean ? send off several for free gifts ? another page is a set of goofy postcards ? even the book's binding turns into a sculpture and its covers are buried as a time capsule ? and so on and so on until.POOF! This book's disappeared!.
