Discover how several outstanding business leaders leveraged innovative safety and workers compensation strategies to unleash productivity and profits. By placing people's safety at the center of an organization's culture, with a relentless, laser-like focus, caring leaders will achieve success. The easy-to-read and compelling interviews provide a treasure chest of insights on how to take your organization to the next level. The leaders interviewed in this extraordinary book explain why safety is an underutilized core value and a true competitive advantage. Adam Friedlander, president of Friedlander Group, a successful safety and workers compensation consulting firm for twenty-five years, carefully selected leaders who share their considerable expertise in a clear and engaging format. This book presents a whole new approach to safety that empowers CEOs, business owners, managers, human resource professionals, insurance and safety advisors and workers comp claims specialists. The experts interviewed include: Paul O'Neill, the 72nd Secretary of the U.S. Treasury, serving from 2001 to 2002, and chairman of Alcoa from 1987 to 1999 Bill O'Rourke, president of Alcoa Russia from 2005 to 2008, senior advisor at...
