

Be a Better and Happier You with Tao Wisdom

Filesize: 8.36 MB

Reviews

Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Lupe Connelly)

BE A BETTER AND HAPPIER YOU WITH TAO WISDOM

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This 132-page book is based on the profound human wisdom expressed in Tao Te Ching written by Lao Tzu, an ancient sage from China. BE A BETTER AND HAPPIER YOU WITH TAO WISDOM not only contains the translation in simple English of the complete text of this 5,000-word immortal classic, but also shows you how to attain true human wisdom through asking self-intuitive questions, creating an empty mindset with reverse thinking to let go of the ego-self to become a better and happier you. The wisdom of Tao begins with the power of intent in the mind to know and to learn more about the true self -after all, wisdom is about self, and about how it reacts with everyone and everything around. In the quest of wisdom, the revelation of having no ego-self is the turning point, where you may begin to embark on a different life journey with a different mission. Your conditioned mind thus begins the journey of reverse thinking which will ultimately change your life, making you a better and happier you. Tao wisdom enables you to see the wisdom in the oneness of all life-that everything exists because of its opposite and that everything will ultimately become its opposite, just as youth becoming old age, and life becoming death. Spontaneity, which is following the natural laws of nature, holds the key to attaining true human wisdom to live your life as if everything is a miracle. BE A BETTER AND HAPPIER YOU WITH TAO WISDOM is made up of three parts. Part One explains the prerequisites of human wisdom. Without true human wisdom, it is almost impossible to perceive the innate human goodness...
