Reviews

It is an awesome book that we have possibly go through. It is actually writer in straightforward words and phrases and not confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A Novelette She can t seem to catch any guy s notice for anything. No, a pick-up pitch from a stranger gawking at her around Pump #2 at the gas station doesn t count. And that attractive salesman at the one-stop-for-all-you-want store in town shouldn t have been flirting with her in the first place, being ultra customer-friendly in an establishment notorious for its pathetic customer service. Now, is this young woman s dateless predicament unfixable? Not in the least. New plan: Sheridan Jones is going to date herself. Ahh. The romance.
