Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. From Poetry, Vol. 12 [1918] If one were to pick out at random a hundred readers of English poetry, and ask them the question: Who is the greatest English poet to-day? about ninety-eight would instantly reply, Kipling. The remainder might be indecisive, or might cast their votes for Masfield, or for Yeats, forgetting that the latter is an Irishman. Nobody, probably, would remark, Thomas Hardy. And yet there is no doubt that Mr. Hardy is the greatest English poet now living. No one among his contemporaries has been able to turn aside from verse-writing for twenty years, and to return to it with the selfsame powerful grip and mastery. No one has been able to construct a poem of the dynamic energy and epic calibre of The Dynasts, but he. No one, finally, but he, is able, at the patriarchal age of seventy-seven, to produce poems marked with the same poignant sincerity of accent that he displayed at thirty. If we leave Mr. Hardy out of the account, as a poet, the whole picture not only of English literature but of English thought and feeling in the past twenty years is likely to become distorted. For it has been, as he himself might say, now twenty years since he turned back to his early love, the muse, from the production of novels. And during that long and dreary time, when English imaginative literature seemed crushed and lost, he has been the one figure with, strength and dignity, and a new message to speak, a message nevertheless intimately linked with England's past. After the giants of mid-Victorianism - Tennyson, Browning, and Swinburne - had written the works by which they are...
