Excerpt from The King, or the First Plantagenet: A Drama, Dedicated to Sir Salar Jung, on the Occasion of His Visit to England The First Plantagenet may be regarded as part of that brilliant militant host who, travelling in their greatness, have stamped upon the rigidity of many obstacles which might have delayed the triumph of liberty. The dramatic form has been selected as likely to impress on the mind some of those interesting and remarkable qualities, with which spirits (though unseen) were ever inciting this heroic being. Each day of his eventful life he seemed to come forth clad in some fresh fervour and grand impulse he had been taught in mystic reveries. It may be true that history and biography should abound with facts, material and obvious, such as wars and great acts of governments yet there are moral, hidden facts, veiled for a time, which are no less real than the unseen parts of physical man. Indeed, they may be regarded as more essentially Operative than the more palpable and obvious. It is hoped the reader will not assume any...
