Demand *****.Stop putting it off! Let the experts show you the

simple way to resume success. All of your educational,

professional, and personal accomplishments will not help you

get a job if you cannot condense that information into a

concise, polished resume. And while you may think resume

writing is not one of your strengths, it s the skill that will do the

most to get you to the next step - the job interview. With so

much riding on the resume, you need help from the experts.

Just follow the simple steps in the PLA s revised Guide to Basic

Resume Writing and in no time you ll produce a document that

skillfully summarizes your qualifications and separates you

from the rest of the pack.Whether you re changing careers, re-

entering the job market, or looking for your first job, this

comprehensive guide will show you how to: present your

educational and work experience in a way that highlights your

specific job qualifications; use direct, active language to

showcase your communication skills; prevent...
