Brand New Book ***** Print on Demand *****.Excerpt from Tropical Tours to Toltec Towns in Mexico A prominent guide-book writer says, The shape of Mexico is that of a cornucopia turned the wrong way - the cornucopia is there, but it is by no means turned the wrong way: the big end is toward the United States, and there is naught for us to do but to pour out its treasures of climate, scenic beauty, antiquity, legends and commercial wealth for our delectation and to the prosperity of its people and ours. It is a favorite ism to compare rather odiously the mountains, rivers and lakes of this continent with those of Europe; and applying the names of those on the other side to those on this side of the ocean is where the comparison becomes odious, as we have an American Rhine, a Switzerland and an Italy of America, down to Mexico, where an Egyptian title obtains which might be more complimentary to its age if it went the other way and Egypt was called the Mexico of the Old World. Even the...
